ABOUT US

John 3:16 Ministries is a spiritual boot camp for men with drug and alcohol addictions. We are located in Charlotte, Arkansas, and provide a refuge for men to come and heal mentally, physically, and spiritually.

John 3:16 Ministries was established in May 2003 and has helped thousands of men overcome their drug and alcohol addictions through Jesus Christ.

REQUIREMENTS

- The ministry accepts men 18 years of age and older.
- The applicant must be at his personal “rock bottom.”
- He must be humble and admit that he has a problem with drugs or alcohol.
- He must believe that Jesus can heal him of his addiction.
- He must be willing to follow the guidelines and direction of the ministry.
- He must be willing and able to do physical work.
- He must be willing to commit a minimum of 6 months to 1 year at the ministry.
- We also offer **Zoom** interviews on Saturdays from 10 am until 2 pm.

BIBLE CLASSES

For the first 3 months of a resident’s stay, he will study God’s word by attending Bible classes two days a week. In studying the Bible a man will discover not only what it takes to achieve, but also how to continue in true deliverance from drugs and alcohol.

THE WORKS

The residents of John 3:16 serve the camp by putting in a 6-day work week within various ministries. The men are involved in a wide variety of activities throughout the week designed to help them develop new and existing skills, and learn the joy and fulfillment of work. These ministries include:

- Catering
- Screen printing
- Banner printing
- Canvas printing
- Body shop
- Metal Fabrication
- Carpentry
- Mechanic Shop

UNITING FAMILIES

John 3:16 couples ministry is held every other Saturday night on the ministry campus. The objective of the class is to restore relationships and marriages that have been affected by addiction. Our goal is to strengthen marriages, enrich families, and impact the community for Jesus Christ.

MULTI-PURPOSE BUILDING

John 3:16 Ministries is home to a 24,000-square-foot multi-purpose building. This facility, opened in 2014, has theater seating for over 1,200 residents, families, and guests. The multi-purpose building is also home to a large catering kitchen, four classrooms, a fully equipped nursery, private meeting rooms, a large dining hall, and our **NEW** Podcast Studio.
